Volunteer with Us

Since we opened our doors on May 18th 2015, the centre itself has under gone quite some changes, but the progress we have made would not have been possible without people volunteering. Our centre is always looking for volunteers; whether you are a student or a member of the community we have positions available:

- **Youth Worker**
- **Sports Coach**
- **Media & Publicity**
- **Fundraiser**

If you have a passion for youth work, sports or just want to do something to help in your spare time, feel free to contact our friendly team at Newtown.

We can provide the opportunity to work flexible hours and gain real experiences engaging with young people and the community. Full DBS checks and training will be provided.
