

## YMCA led activities

Residential groups of 30 or more children staying on a full board basis for 3 nights or more are entitled to **two free evening activities** from the list below.

- **Wide Games – an exhausting selection of individual and team games such as Capture the Flag, Ultimate Frisbee and Ambush facilitated by YMCA staff.**
- **Disco – a two hour disco with optional party games.**
- **Movie Night – wrap up with your duvets and watch a movie on our large projector screen, with popcorn and snacks available to purchase.**

All the above activities run for 2 hours. Free activities are offered to groups of 30 and more; smaller groups will be subject to a charge. If your group size is over 50 children, please contact us on 01983 862441 to discuss activity options.

Groups can add extra activities in addition to the two free sessions at a cost of £3 per child per activity (subject to a minimum £40 charge).

Once you have made your initial residential school and group booking, you will be sent our group information pack outlining these options and ways to book. Activities must be booked a minimum of 8 weeks in advance of your visit. Activities requested less than 8 weeks in advance of your visit are subject to availability.
