## GYL - Global Youth Leadership

GYL brings together young people from all over the world who are looking for the next step in personal development. It's the perfect opportunity for young people aged 16-18 years considering working with children, in the outdoors or sports in the future or those wanting to spend their summer practicing their language skills in an exciting and challenging environment.

### About us

The YMCA was formed in 1844 in London and has grown to become a worldwide organisation with 45 million members in 125 countries.

The YMCA has adapted to the needs of today and works with all ages, races, religions and cultures. Each YMCA now operates on a local scale, delivering services that meet the needs of their local community, in keeping with the wider organisation's values and aims. At YMCA Fairthorne Group, we are proud to be affiliated with the wider YMCA movement – the world's largest and longest-running youth charity.

**YMCA Fairthorne Group operates throughout Hampshire, Isle of Wight, Portsmouth and Southampton from 30 venues. Our programmes include 14 early years settings, school holiday Daycamps, community activities, residential centres, camping and supported housing for young people.**

Part of the YMCA Fairthorne Group, YMCA Fairthorne Manor offers a unique outdoor activity venue set in the heart of the countryside. Considered one of Hampshire's hidden gems, the 85 acre site comprises of sweeping grounds, mature woodland, a lake and access to the upper reaches of the River Hamble. We provide a wide range of programmes on-site, including high quality childcare for children aged 0-5yrs, school holiday Daycamps, residential programmes for groups, a public campsite and community activities.
