

## Camp Fairthorne – Residential Kit List

The following checklist is for name-labelled clothing and other items that your child will need during their 5-night stay at Camp Fairthorne. They will be responsible for carrying their luggage to and from Camp on arrival and departure, therefore we recommend sticking to the list as much as possible.

Please remember that even in the summer it can be cold at night and we may have the odd shower of rain, so layers of jumpers and waterproof clothing are particularly important.

## What not to pack

- Mobile phones, tablets, electronic games consoles etc

YMCA can't accept liability for the loss of or damage to any personal property so please don't bring any valuable items.

Please ensure your child packs their own bag so they know what they have and where to find it when they arrive.

When packing for Camp, please keep in mind that clothes and shoes will be worn to undertake physical outdoor activity, often in muddy conditions, so we strongly recommend packing worn, comfortable clothing and footwear that you're happy to get wet and muddy!
