## 50% Discounted Adult tickets in 2026 \*\*

We're excited to be **reducing the cost** of adult tickets for YCF to support the **incredible professionals**, volunteers and carers who champion Young Carers every day. The trusted adults who guide, encourage and care for Young Carers are a huge part of what makes the festival special, and **we want you there** too!

By **lowering adult ticket prices** we're removing barriers, **saying thank you**, and making it easier for young carers to **share an unforgettable festival**, with the adults who know them best.

## Travel Grants - Helping you make the Trip

BACK  
for 2026  
Less by  
miles

Thanks to the generous support of **CareTech Charitable Foundation**, **The Children's Society** is delighted to offer travel grants to help your group with the cost of travel to the festival.

These grants are designed to make attending the festival **more affordable**, with support based on the distance you need to travel.

Grants are only available if you don't already have specific funding in place for YCF travel — We want as many Young Carers as possible to be part of this **unforgettable weekend** of celebration, connection and fun.
